

# Dad always made sure you had the best of everything. Now it's his turn.

With engaging activities and personalized care, One Kenton Place provides the best of everything for your loved one living with dementia. After all, he deserves it! Dad (or Mom) will love the bright sun-filled rooms, delicious kosher food and being part of a friendly community of peers. Plus our innovative treatments and latest technologies will give you peace of mind that he is in an exceptional place – One Kenton Place – with the very highest standards of care.

For excellent care, it's the One.

Call us to arrange a tour to see first-hand all the things we do, big and small, to help your loved one live the fullest life possible.
