

For Dad, it's hard to remember the past. But so easy to enjoy the present!

From cooking classes to current affairs, we deliver the meaningful programs and inspired lifestyle to reignite his passion and purpose. Our leading-edge treatments and highly personalized care will help your loved one living with dementia regain independence and rediscover themselves again.

At One Kenton Place we pride ourselves on the highest standards of care to ensure quality of life for him – and peace of mind for you.

For excellent care, it's the One.

Call us to arrange a tour to see first-hand all the things we do, big and small, to help your loved one live the fullest life possible.
